This statement is made pursuant to s.54 of the Modern Slavery Act 2015 and sets out the steps that Elliott Group has taken and is continuing to take to ensure that modern slavery or human trafficking is not taking place within our business or supply chain.

Modern slavery encompasses slavery, servitude, human trafficking and forced labour. Elliott Group has a zero tolerance approach to any form of modern slavery. We are committed to acting ethically and with integrity and transparency in all business dealings and to putting effective systems and controls in place to safeguard against any form of modern slavery taking place within the business or our supply chain.

Our anti-slavery policy forms part of our contract with all sub-contractors/suppliers and they are required to confirm that no part of their business operations contradicts this policy.

We are committed as an organisation to tackling modern slavery and human trafficking and want to work with suppliers who share our values.

Awareness Training:

To ensure a high level of understanding of the risks of modern slavery and human trafficking in our organisation and our supply chains. We intend to deliver toolbox talks to our staff and sub-contractors working on our projects and forward the toolbox talks to our supply chains.

Our Performance Indicators:

We will know the effectiveness of the steps that we are taking to ensure that the slavery and/or human trafficking is not taking place within our business or supply chain if:
